Welcome Message

Dear Colleagues,

It gives us great pleasure to welcome you to the – 20th AMASI Skill Course and Fellowship Examination to be held at Indira Gandhi Institute of Medical Sciences, Patna. The skill course is the part of academic and accreditation activity of The Association of Minimal Access Surgeons of India, the largest section of ASI.

The aim of this skill course is to attempt standardization of Laparoscopic Techniques and to update our knowledge in keeping with current trends. During the course of three days we will try to provide comprehensive knowledge from basic to advanced laparoscopic surgery. Taking into consideration the feedback from previous skill courses, a conscious decision has been made to devote more time and discussion for commonly performed procedures.

A written, practical & viva voce examination will be conducted on the last day of the skill course. Successful candidates will be awarded Fellowship in Minimal Access Surgery (FMAS).
